## LPI Learning Programs

LPI Learning offers a wide range of educational opportunities that complement each other allowing our Partners to provide participants multiple programs increasing revenue streams.

### Study in the USA - High School

Our Study in the USA - High School program is ideal for students who are seeking an exchange opportunity in the United States tailored to their academic goals and personal preferences. This program provides international students placement in public, private and boarding schools on an F-1 Visa. With our tiered pricing, LPI Learning offers affordable options that are competitive to J-1 Visa programs.

### Renzulli Creativity Programs

Renzulli Creativity Programs assist participants ages 13-17 in the development of 'Creative Productivity' leading to enhanced creative and investigative characteristics along with higher test scores. This three-week intensive program places students in groups to solve Real Life Problems. The Program taps into a student's personal interests and uses instructional techniques to leverage student motivation and curiosity to achieve the highest levels of learning. Renzulli Creativity Programs will be offered globally and we are seeking Partners for local and national delivery.

### Teach, Volunteer and Gap Year Abroad

LPI Learning partners with GeoVisions and Thinking Beyond Borders to provide Teach, Volunteer and Gap Year Abroad programs around the world. Teach and Volunteer programs offer participants affordable opportunities to experience international education and travel. Our Gap Year programs allow students to combine deep cultural immersion, creating an incredible learning environment which helps students prepare for and perform better in university. Individual and group opportunities are available for High School students, University students and adult participants.

### Study in the USA - College/University

LPI Learning helps international students achieve their dream of attending an American college or university. We assist academic institutions with international student recruitment. We also identify suitable Host Families for their international students.

### Au Pair

LPI Learning and its partners offer global placement opportunities, enabling au pairs and host families to benefit from a wonderful educational and cultural experience.

- We are the exclusive global marketing partner of AuPair.com, responsible for managing partner relations and marketing strategy.
- We represent Agent AuPair, a US Government designated J-1 program, which brings international au pairs to the USA.
- We partner with GeoVisions, to provide global au pair opportunities.

With a unique view of the Au Pair Industry, we seek additional Partners to continue to expand globally.
